

Week Submission 02.02.01

Story

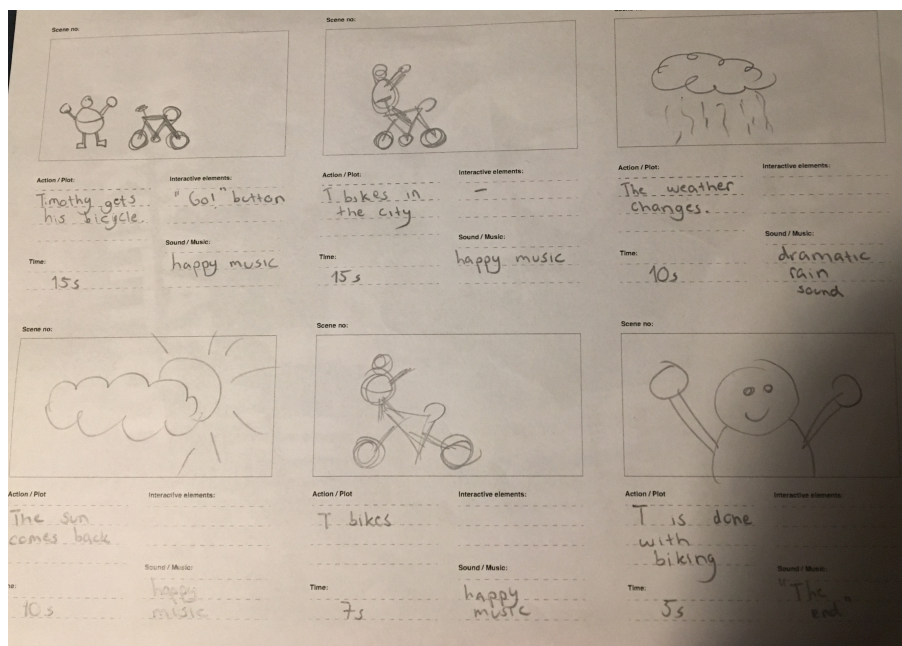

Timothy the Tourist is visiting in Copenhagen and moves around the city by biking his cool, urban bicycle. On his journey on a nice summer day he sees many tourist attractions and explores the stereotypical Danish weather that changes very quickly from "A to Z".

- **Genre:** Comedy

Narrative curve

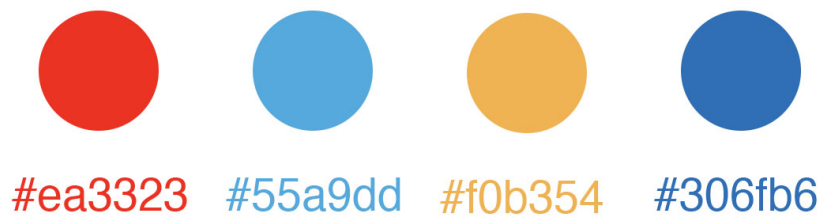

Story board

Style tile

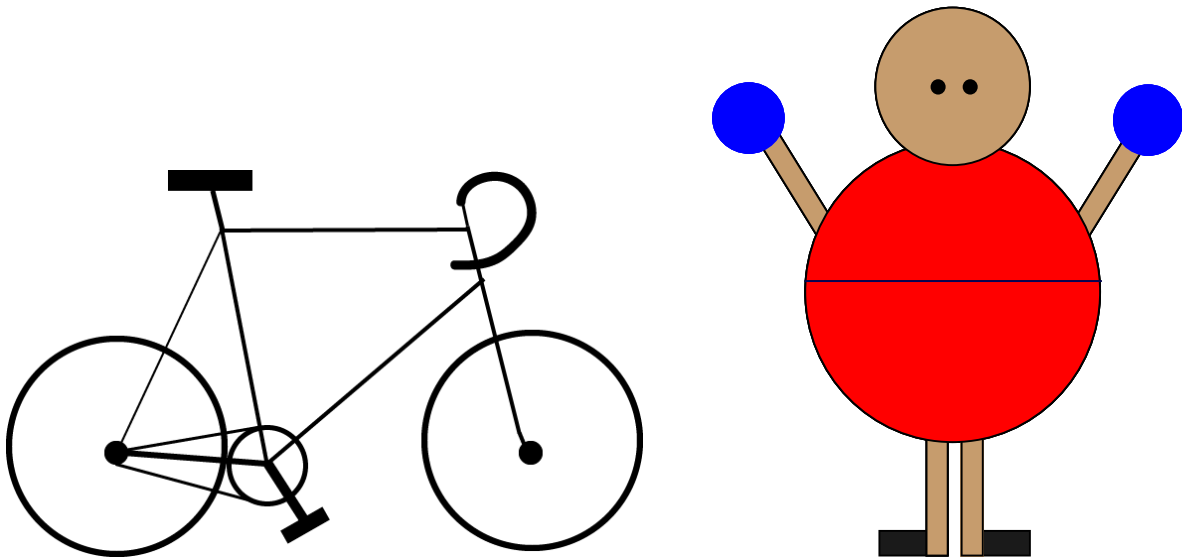

The style is inspired by Chris Ware. The colors are bright and clear and the borders/lines of the pictures very clear and "sharp".

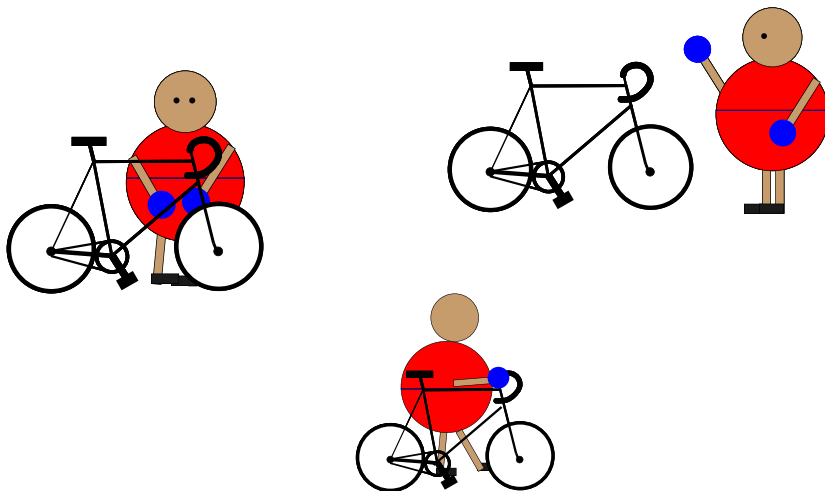

The typography is Helvetica Neue, which is also very clear and simple and matches well with the illustrations.

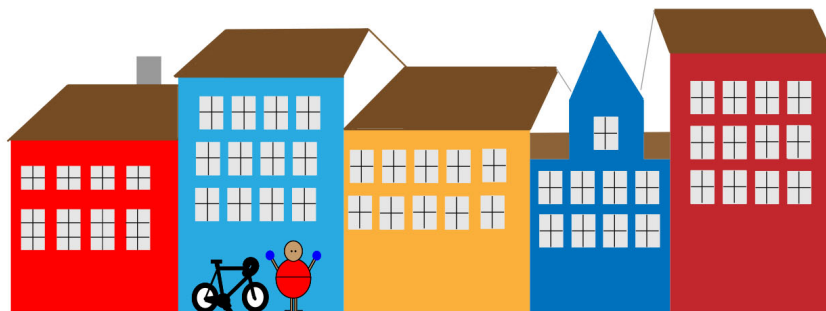

Worksheet

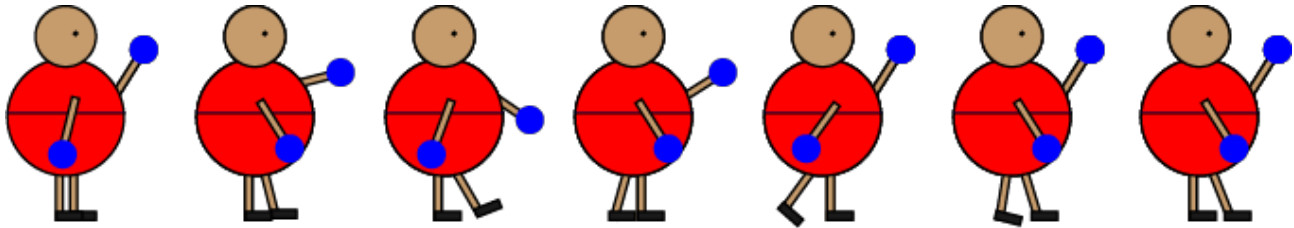

The main characters of the story: **Timothy the Tourist** (on the right side) and his **bicycle**. Timothy is a happy tourist who is visiting Copenhagen. He has just graduated from high school and is traveling alone for the first time ever.
